

“But in your hearts honor Christ the Lord as holy, always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect.”

ASSIGNMENT IN PREPARATION FOR WEEK 4

WELCOME to Bridging the Gap evangelism training! In preparation for Week 4, we are asking that you all begin by completing the following two assignments that will ultimately help you share the gospel of Jesus Christ with other people.

1. **In your own words, write down what your response is to the following question: “What is the Gospel?”**

2. **In your own words, write out your testimony of how you were saved by Christ. This must be in 100 words or less. This must focus on your life before Christ and after. Our leaders will give you feedback on these. In writing out your testimony, three different versions can be helpful:**

- **Take the Stairs (100 words or less):** A longer version of your testimony – when you are given time to sit and talk with a person and spend time with them.
- **Take the Escalator (50 words or less):** Your medium length testimony – perhaps you just have a little bit of time to share something that would hook another person to hear more about who you are and how Jesus has changed your life.
