FCOB has a long standing tradition in serving those around the world in need. Through a number of mission trips, FCOB members become the hands and feet of Jesus, spreading His love, sharing His word, and honoring Him with their time. In 2017, over 100 people participated in missions giving over 10,000 hours of service.

This event will help those in our community to step out in faith and serve others through building projects, clean water provisions, medical supplies, and a host of other long term projects and ministries. Help us help those around the world!
