

October 2017 Bulletin / Website Announcement
Lead Pastor Search Team

The Search Team continues with First interviews in early October, while also scheduling some Second Interviews for later in the month. All of these candidates are coming to us through the Church of the Brethren placement system. We very much appreciate the work of Gene Hagenberger, Mid-Atlantic District Executive, in scheduling and coordinating all of these interviews. Pray for the Search Team as we navigate these interviews and discern God's choice of our next Lead Pastor. Pray that God guides the next Lead Pastor He has already identified for us and that He lays His desires upon the hearts of the Search Team members. Pray for our Church as we continue to prepare for the arrival of God's choice.
