

September (2nd half of the month) 2017 Bulletin / Website Announcement
Lead Pastor Search Team

The Search Team is conducting several First interviews in the month of September as scheduled by Mid-Atlantic District Executive Gene Hagenberger through the Church of the Brethren placement system. Following these initial interviews, we will discern the possibility of a Second interview, after which subsequent interviews may also be scheduled as we aim to recognize the candidate God has identified for FCOB. Join us in prayer for these interviews. Pray for those pastors that have already submitted their Pastoral Profile and those that are considering serving God at FCOB. Pray for the Search Team as we discern God's direction for FCOB in the form of our next Lead Pastor that He has already identified.
